

ASSEMBLY BILL

No. 601

Introduced by Assembly Member Eggman

February 20, 2013

An act relating to probation.

LEGISLATIVE COUNSEL’S DIGEST

AB 601, as introduced, Eggman. Probation.

Existing law authorizes the court to grant probation to certain persons convicted of a crime. Under existing law, if a person is convicted of a felony and is eligible for probation, before judgment is pronounced, the court is required to refer the matter to a probation officer to investigate and report to the court the circumstances surrounding the crime and the prior history and record of the person, which may be considered either in aggravation or mitigation of the punishment.

This bill would state the intent of the Legislature to enact legislation that would standardize the length of time individuals are placed on probation.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. It is the intent of the Legislature to enact
